

Play Broomball

Broomball is the thrills and chills of ice hockey in the comfort of your own shoes!

A popular game for birthday parties, church groups, company team building events and more, broomball consists of two teams trying to score goals on the ice, but the players wear tennis shoes instead of skates and use plastic brooms instead of hockey sticks to hit a ball (not a puck) into the opposing team's goal.

Skatetown provides:

- Broom ball brooms, ball, nets, loaner helmets
- Sound system
- Private ice surface

You bring:

- Music if you like
- And of course ... the players

\$300 per hour for 30 players

\$9 per person for additional players
\$25 flat fee to rent elbow/shin protection
